

PERFORMANCE FIRST ENGINES FOR LIFE COVERAGE

PROGRAM HIGHLIGHTS

- ONE PRICE FITS ALL!
- Marketed primarily through franchised dealerships
- Provides coverage for as long as the warranty holder owns the vehicle (subject to compliance with warranty conditions)
- Provides coverage for all internally lubricated parts within the engine including the engine block and cylinder head if damaged is caused by an internally lubricated part
- Filters, lubricants, coolants, fluids and refrigerants may be covered if replacement is required in connection with a covered breakdown
- Provides rental coverage of up to \$25 per day up to a maximum of \$100 per occurrence with an additional \$25 for parts/inspection delays

UNDERWRITING GUIDELINES

- Eligible vehicles can be no more than current plus 14 model years old and must have less than 150,000 miles on the retail purchase date
- Dealer must certify the eligible vehicle is in good working condition (according to the Certification Inspection Report) at the time of the retail sale
- Elimination period of 30 days and 1,250 miles from the vehicle purchase date
- Re-certification at the issuing dealer as required by the vehicle manufacturer's maintenance schedule
